SAFETY PRECAUTIONS

IMPORTANT SAFETY INSTRUCTIONS

When using the massage chair, basic precautions should always be followed, including the following:
Read all instructions before using this massage chair.

DANGER—To reduce the risk of electric shock:

• Always unplug this massage chair from the electrical outlet immediately after using and
  before cleaning.
• Never use pins or other metallic fasteners with this appliance.
• Carefully examine the covering before each use. Call for service if the covering shows any
  sign of deterioration, such as blistering, peeling or cracking.
• Keep dry—Do not operate in a wet or moist condition.

WARNING—To reduce the risks of burns, fire, electric shock or injury to persons:

• Read all instructions before using.
• A massage chair should never be left unattended when plugged in. Unplug from the outlet
  when it is not in use and before putting on or taking off parts.
• Close supervision is necessary when this massage chair is used by or near children or
  disabled persons. Keep children away from reclining backrest and extended leg rest.
• Use this massage chair only for its intended use as described in this manual.
• Never operate this massage chair if it has a damaged cord or plug, if it is not working properly,
  if it has been dropped or damaged, or dropped into water. Contact Customer Service
  Department.
• Keep the cord away from heated surfaces.
• Never operate the massage chair with the air openings blocked. Keep the air openings free
  of lint, hair and the like.
• Never drop or insert any object into any opening.
• Do not use outdoor.
• Do not operate where aerosol (spray) products are being used or where oxygen is being
  administered.
• To disconnect, turn all controls to the off position, then remove the plug from the outlet.
• Do not stand on or in the massage chair. Use only while seated.
• The product is not intended for use by children or persons with reduced physical, sensory or
  mental capabilities, or lack of experience and knowledge, unless they have been given
  supervision or instruction concerning use of the product by a person responsible for their
  safety.
• Children should be supervised to ensure that they do not play with the product.
• Temperatures sufficiently high to cause burns may occur regardless of the control setting.
  Do not use on an infant or invalid or on a sleeping or unconscious person. Check the skin in
  contact with the heated area of the appliance frequently to reduce the risk of blistering.
• Burns may result from improper use.
• Do not crush in order to avoid sharp folds.
• Keep children away from extended foot support (or other similar parts).
• DO NOT WET.
• DO NOT USE PINS.
• NEVER REMOVE COVER.
• Connect this appliance to a properly grounded outlet only. See Grounding Instructions.

SAVE THESE INSTRUCTIONS
This massage chair is intended for household use only.

1. Usage Environment

• Do not use the massage chair in an excessively humid or dusty environment as this may
  result in malfunction or electric shock.
• Do not use the massage chair in a room with a temperature of 104°F or higher.
• Do not expose the massage chair to heaters, stoves or direct sunlight.
• Place and use the massage chair on an even, non-slip floor.
• The massage chair is designed for home use and not for commercial purposes.
2. Safety Precautions

- To ensure safe and correct use of the massage chair, do not operate it without reading this operation manual carefully.
- Do not use the massage chair when the upholstery or seat is removed. This may cause injury or malfunction.
- Do not use the massage chair in combination with other therapeutic equipment or electric blanket etc., as this may result in ineffectiveness or injury.
- Do not use the massage chair an hour before or after eating as this may have adverse effects on the user.
- Do not allow children or pets to play around the massage chair, e.g. behind the backrest, under the seat base or legrest of the massage chair. This may result in injury.
- Do not use the massage chair when your body is wet.
- Do not operate the massage chair with wet hands.
- It is not recommended to use the massage chair for more than 15 minutes.
- Do not perform continuous massage on the same spot of your body for more than 5 minutes at a time as this may result in excessive stimulation and may have adverse effects.
- Do not insert your hand or foot along the paths of the massage rollers during use as this may cause injury.
- Stop operation immediately if you feel any discomfort.
- This product is not intended for self-treatment of conditions that should be managed by a qualified health care provider.
- People on medication or with medical conditions, please consult your doctor before use. Please do not use the product if you are not feeling well.

3. People with Medical Conditions

Consult your doctor before use if you:

- are under medical rest as ordered by a doctor.
- have spinal disorders, an abnormal spinal condition or have suffered a spinal injury.
- have back problems.
- have diabetes, osteoporosis or sensory impairment.
- have joint dysfunction such as rheumatism, hammertoe or gout.
- have a pacemaker or other electronic medical devices.
- may be pregnant.
- have phlebitis or thrombosis.
- have an increased risk for blood clots.
- had recent surgery.
- Have surgical pins, screws, or anything mechanical in the legs, ankles or feet.

- This massage chair is not intended for use by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction or instruction concerning use of the massage chair by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the massage chair.
- Avoid using the massage chair under the influence of alcohol.
- Do not apply massage rollers directly on the head, elbow or knee joints, torso or abdomen.
- If your legs or feet slip off the leg rest during massage, do not force them back in as this may result in injury.
- Remove the power plug from the electrical outlet immediately should liquid be accidentally spilled onto the massage chair. Do not use wet hands to connect or disconnect the power plug from the electrical outlet.
- Do not tamper with the power cord or use the massage with a damaged cord as this may result in malfunction and electric shock.
4. Instances When the Massage Chair Should Not Be Used

In the following events, please switch off the main power switch immediately and disconnect the power cord from the electrical outlet:

- If water is accidentally spilled onto the massage chair. This may result in electric shock or malfunction.
- If the fabric of the backrest is torn and the internal components are exposed.
- If pain or discomfort is felt during massage, stop operation immediately and consult your doctor.
- If you detect any malfunction or any other abnormal condition during operation.
- If there is power failure. Injury may occur when power is restored unexpectedly.
- If there is lightning.

5. Assembly and Repair of the Massage Chair

- Do not disassemble the backrest cover of the massage chair. Touching the internal components may result in malfunction or electrical shock.
- This massage chair must only be professionally serviced or repaired. Do not attempt to disassemble or repair the massage chair by yourself.

6. Things to Be Noted About the Power Plug and Cord

- Check that the Alternating Current (AC) voltage corresponds with the specifications indicated for the massage chair.
- Do not connect or disconnect the power plug from the electrical outlet with wet hands. This may result in malfunction or electric shock.
- When disconnecting the power plug, pull it by holding the plug, not the cord.
- Although operation will be stopped automatically by the Auto-Timer function, always remember to switch off the main power after use.
- Do not place the power cord under the massage chair or any other heavy objects.
- Do not wind the power cord around the massage chair as this may damage the cord and result in a fire or electric shock.
- Do not operate the massage with a damaged cord or extension cord.
- Do not use the massage if the electrical outlet is loose.
- If the power cord is damaged, it should be replaced by a qualified technician.

CHAIR PLACING & MOVING

Chair Placing

Ensure sufficient space around the chair. When backrest reclining and footrest is being raised, the minimum 31.5” space must be ensured both at the front and the back of chair. Bottom of the chair may damage the tatami mattress or floor. It is recommended to spread a mat under the chair.

Chair Moving

1. Restore the footrest to its original position.
2. Recline the chair to tilt approximately 45 degrees. Move the chair using the wheels as the fulcrum.

Note:
- Always return the footrest to its original length and restore it to its original position before moving the chair, otherwise injury during movement may result.
- Do not move the chair while a person is seated on it.
- Place a mat on the floor and gently roll the chair over it to avoid damaging the floor.

OPERATION GUIDE

WIRED TABLET INTERFACE

We have designed your massage chair’s tablet controller with a user-friendly interface to make using your chair even easier.

Home Screen

 Massage Controls

- Name of Program
- Time Left
- Power
- Strength
- Intensity
- Chair Angle Adjust
- Foot Roller
- Vibration
- Heat
- Light Color Variation
PRE-PROGRAMMED MASSAGE

We have designed your chair with multiple massage options for your changing needs. Follow these simple instructions to begin a new pre-programmed massage.

Choose the "Massage" icon to select your pre-programmed massage.

Choose 1 of our 6 pre-programmed massages

Pre-Programmed Massage Interface

Using the arrows, you can adjust the standard shoulder position.
DEMO

In order to allow you to quickly understand the way of massage chair, we created a demo module for you.

CUSTOM MASSAGE

Every body is different. That’s why we’ve given you the option to customize your own massage to meet your specific needs.
Follow these simple instructions to create a new custom massage.

Choose the “Custom Massage” icon to begin creating your custom massage

Choose the “Massage Action” icon

The knead, tap, clap, and shiatsu massages can be combined with swedish or roll
Choose the "Compression" button

Compression Interface

Choose the "Settings" button to take you to the settings page

Settings Interface
TROUBLE SHOOTING

If your chair has any trouble, press the Trouble Shoot "Start" button for the chair to automatically detect problem areas and contact our customer service team.

Choose "Start" button and make sure the chair is not occupied during chair detection.

Your chair is detecting possible malfunctions, please wait for the detection result.

You can use your detection code when contacting the Ogawa customer team about your chair's problems.
GROUNDING INSTRUCTIONS

This product must be grounded. If it should malfunction or break down, grounding provides a path of least resistance for the electric current to reduce the risk of electric shock. This product is equipped with a cord with an equipment-grounding conductor and a grounding plug. The plug must be plugged into an appropriate outlet that is properly installed and grounded in accordance with all local codes and ordinances.

Danger: Improper connection of the equipment-grounding conductor can result in a risk of electric shock. Check with a qualified electrician or service technician if you provided with the product-if it will not fit the outlet, have a proper outlet installed by a qualified electrician.

This product is for use on a nominal 120V circuit and has grounding plug that looks like that plug illustrated below. Make sure that the product is connected to an outlet having the same configuration as the plug. No adapter should be used with this product.

PRODUCT CARE AND STORAGE

1. Storing the Massage Chair
   • Wipe off dust and dirty from the massage chair with a dry, soft, clean cloth after use.
   • Keep the massage chair clean and away from places of high humidity.
   • If the massage is not to be used for a long period of time, cover the massage chair with a dust cover and unplug its power plug from the electrical outlet.

   Caution
   • Do not store the massage chair in direct sunlight or in places of high temperature. This may cause the color of the upholstery to fade.
   • Do not allow the massage chair to remain in contact with vinyl or wallpaper for extended periods of time as this could lead to discoloration.

2. Cleaning the Massage Chair
   • Before cleaning, ensure that the main power switch is off and the power plug is disconnected from the electrical outlet.
   • Wipe off dust and dirt from the massage with a dry, soft, clean cloth after each use.
   • This product can be cleaned thoroughly with a slightly damp cloth.
   • Do not iron the upholstery.
   • Do not wash the upholstery using a home washing machine as this may result in deterioration of the upholstery's quality.

   Caution
   • Do not use abrasive cleaning agents like benzene or thinner to clean the massage chair. This may cause the upholstery to fade.

3. Cleaning the Controller
   • Use only a clean, dry cloth to clean the controller.

   Caution
   • Do not use a wet cloth to clean the controller. This may result in malfunction.
WARRANTY INFORMATION

OGAWA products have the following warranty:
OGAWA’s massage chairs, motion upholstery and home theater massage seating provide a one year in-home service warranty and a two-year parts warranty. OGAWA customer service will not issue Return Material Authorizations (RMAs) for products. OGAWA products will be either repaired by the consumer or by an in-home technician. OGAWA will not issue Return Material Authorizations (RMAs) for buyer’s remorse.

Service And Technical Support

Consumers may contact OGAWA’s customer service department at 1-877-977-0656 between 9:00 am and 5:00 pm PST, Monday through Friday for warranty or service issues.

Consumers are required to provide the unit serial number and dated proof of purchase (sales receipt) when they contact the OGAWA service department regarding a repair.

A OGAWA customer service representative will attend to most consumer inquiries, but in some cases a technical service specialist will provide advanced support.

Non-warranty repair is provided on a “per incident” basis. OGAWA customer service will verify that the unit has failed and provide instructions for repairing a unit. All applicable repairs, parts, shipping, handling, local tax and a “per incident” fee will be charged for non-warranty repairs and support calls.

Proof of purchase (original receipt) is required for all warranty repairs or service.

Product Repairs

Many OGAWA product repairs may be performed by the consumer in their own home with parts and instructions supplied by OGAWA such as remote controller replacements that don’t require a technician.
Canadian consumers may contact OGAWA’s customer service department at 1-877-977-0655 between 9:00 am and 5:00 pm PST, Monday through Friday for warranty or service issues.

- Floor Models and Demonstration Units have a prorated warranty period that begins the day the model is placed on the floor and connected to an electrical outlet by the retail partner. Proof of purchase is required in order to obtain warranty service and parts. Non-warranty parts and service are available at a “per incident” charge.
- Warranty Coverage Period - Warranty coverage starts at the time that the consumer PURCHASES their chair. Proof of purchase is required for all warranty repairs. The warranty time period is measured by continuous calendar days based on a seven-day week.
- Field Service – OGAWA customer service department will diagnose and schedule an authorized service provider to repair the chair in the consumer’s residence.
- Parts - All parts deemed necessary for repairs will be shipped to the consumer at no charge by the OGAWA service department.

CONSUMER WARRANTY LIMITATIONS AND EXCLUSIONS

- Warranties are only valid in the 48 contiguous United States and Canada and are contingent upon the consumer operating the chair according to the corresponding instruction manual.
- The warranty only applies to OGAWA products and does not include any accessories or enhancements.
- Field service requires pre-approval and must be performed by OGAWA’s authorized field service personnel. Field service is only available in the United States and in major metropolitan areas in Canada.
- Softening of foams and filling composites in pillows, pads, and memory foam occurs naturally and does not constitute a defect under this warranty.
- Fading, wear and piling of fabrics occurs naturally and does not constitute a defect under this warranty.
- Natural markings, grain and dye variations in leather do not constitute a defect under this warranty.
- Warranties do not cover any loss or damage resulting from improper installation, unauthorized repairs or modifications, improper use of electrical/power supply, loss of power, dropped product, a malfunction or damage of an operating part from failure to provide manufacturer’s recommended maintenance, transportation damage, theft, abuse, misuse, neglect, vandalism or environmental conditions (fire, floods, rust, corrosion, sand, dirt, etc.)
windstorm, hail, earthquake or exposure to weather conditions), loss of use during the period
the product is at a repair facility, or otherwise awaiting parts or repair.
• Damage due to shipping and handling does not constitute a defect under this warranty.
• Under no circumstance shall OGAWA or its representatives be liable for
indirect, consequential, or incidental damages (including damages for lost profits, business
interruption, bodily injury, medical and the like), even if any party has been advised of the
possibility of such damages.
• Warranties are non-transferable and shall be in lieu of any other warranty, express or
implied, including but not limited to any implied warranty or merchantability or fitness for
particular use.
• OGAWA’s sole liability and the purchaser’s exclusive remedy shall be for the repair, or at
OGAWA’s option, for the replacement of the defective part.
Notwithstanding the above, if replacements parts for defective materials are not available,
OGAWA reserves the right to make substitutions in lieu of repair or replacement.

• All warranties begin on the DATE OF PURCHASE; no allowance or extension is
offered for delivery and/or installation.

• Warranties do not apply to rental, business, commercial, institutional or other
non-residential users.
